Description

GPSMAP® 8612 With Mapping

SERIOUS ANGLERS, CRUISERS, SAILORS AND SAIL RACERS DEMAND SERIOUS EQUIPMENT

The easy-to-use, easy-to-install chartplotter/sonar combo delivers MFD performance in a combo-size package.

Get wider viewing angles and superior clarity on the touchscreen with a full HD in-plane switching (IPS) display.

Navigate confidently with built-in Garmin Navionics+™ inland and coastal mapping¹.

Easily build your marine system using the best of network connectivity.

See below and around your boat with built-in sonar capabilities (transducers sold separately).

From ANT® technology to Wi-Fi® networking, there are countless ways to connect to your system.

With SmartMode™ station controls, everything is designed to give you quick, one-touch access to the information

you need. TRADITIONAL AND SCANNING SONAR SUPPORT

Get built-in support for 1-kW Dual-Channel CHIRP traditional sonar for superior target separation and ClearVü and SideVü scanning sonars to see up to 1,000' below and around your boat at 260 kHz (requires transducer, sold separately). Built-in sonar compatibility only available on xsv models. PANOPTIX™ SONAR SUPPORT

Pair your chartplotter with [Panoptix or Panoptix LiveScope™](#) easy-to-interpret live sonar (transducer sold separately) to see all around your boat in real-time. CHARTS & MAPS

Bring a fresh new look and feel to your chartplotter with optional Garmin Navionics+™ or premium Garmin Navionics Vision+™ cartography featuring integrated coastal/inland content, access to daily updates, Auto Guidance+™ technology2, and more. GARMIN MARINE NETWORK

If you have multiple compatible Garmin devices on your boat, you can share information — such as maps, user data, radar and IP camera video — among them. NMEA 2000® AND NMEA 0183 NETWORKS

Connect to autopilots, digital switching, weather, your [FUSION-Link™](#) audio system, media, VHF, AIS and more from one screen. ACTIVECAPTAIN® APP

Built-in Wi-Fi® connectivity pairs with the free [all-in-one mobile app](#) for access to the OneChart™ feature, smart notifications3, software updates, Helm, [Garmin Quickdraw™](#) [Community](#) data, and more. INTEGRATED BLUETOOTH® AND ANT TECHNOLOGIES

Connect with some of your favorite devices, such as [quatix®](#) marine watches, [gWind™](#) [Wireless 2](#) transducers, [GNX™](#) [Wind](#) marine instruments, and wireless remote controls. ONEHELM™ FEATURE

This [feature](#) brings together all the operations and capabilities of third-party devices, such as EmpirBus™ digital switching, on one screen.
