Description

The Tristram 741 Offshore Sterndrive- a versatile and capable boat designed for serious offshore fishing and more. •

Cockpit Space and Fishing Features:

- The 741 Offshore boasts an excellent cockpit space suitable for 5 to 6 anglers.
- It comes equipped with a live bait tank and unbeatable rod and accessory storage.
- Whether you're chasing big game fish or enjoying a day on the water, this boat delivers.

•

Design Traits and Performance:

- Tristram is renowned for exceptional design, and the 741 Offshore lives up to that reputation.
- Its bluewater performance ensures a comfortable ride even in challenging sea conditions.
- The sleek look, practical features, and attention to detail make it a standout choice.

•

Mid-Ship Galley and Practicality:

- The galley is cleverly located mid-ship, keeping cooking smells away from the cabin.
- Features include a cutlery, plate, and pot drawer, a molded sink with tapware, a gas cooker, and a fridge.
- Enjoy 360-degree vision while preparing meals and take advantage of the fresh cabin atmosphere.
- Hot and cold running water with a 65L tank.

•

Molded Boarding Platform:

- The seal-free boarding platform keeps the cockpit and engine bay dry.
- Effortless backing up, thanks to the carefully designed height and fully molded top and undersides.
- LED boarding lights and stainless steel grab handles enhance practicality.

•

Distinctive 'Tristram' Look:

- Molded transom deck fins create a unique and integrated appearance.
- CAD-designed and CNC-molded for precision, the 741 Offshore easily tackles offshore conditions.

Whether you're a serious angler or love being on the water, the Tristram 741 Offshore Sterndrive offers a winning combination of functionality and style. Engine and Leg

High-Performance Marine Power: The 2015 Mercury 3.0L TDI, paired with the Bravo 3X sterndrive leg, delivers exceptional performance on the water. •

Efficient Diesel Power:

- The 3.0L TDI engine offers impressive torque and fuel efficiency.
- Diesel power ensures reliability and longevity, making it ideal for extended boating adventures.

-

Bravo 3X Sterndrive:

- The Bravo 3X leg provides dual counter-rotating propellers for enhanced maneuverability.
- Its robust construction handles demanding conditions, whether you're cruising or pushing the throttle.

-

Smooth Handling and Acceleration:

- Experience smooth acceleration and precise control with the Bravo 3X.
- Whether you're towing water sports enthusiasts or exploring coastal waters, this combination delivers.

-

Built for Durability:

- Mercury's reputation for quality ensures a reliable and durable powertrain.
- The 3.0L TDI (260HP) and Bravo 3X leg work seamlessly together, offering peace of mind on every outing.

- Electronics

- The Simrad NSS 2 16-inch Sounder, equipped with Auto Pilot functionality and a C-map chart, features a single-channel, through-hull B164 transducer with a power output of 1KW.

- Game rigged! With Bonze Kracken Bases and poles
